Activity

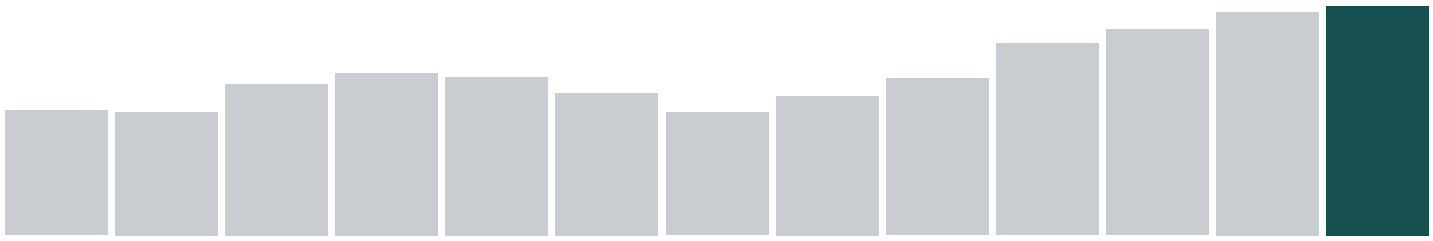

119th Congress

What became of the 19,841 bills introduced in the 119th Congress: how much was recorded against them, how far they travelled, and where almost all of them stopped.

85% never leave committee

Of 19,841 bills introduced, 16,911 have gone no further than the committee they were referred to. 1,418 cleared a chamber and 137 became law. The Congress is still sitting, so bills are still moving.

Bills introduced by Congress — 107th to 119th

107th — 119th

Bills introduced	Actions recorded	Actions each	Held in committee
19,841	**64,633**	**3.3**	**85.2%**
Every measure put forward	Every step logged against a bill	Steps per bill, on average	Share going no further

How far they got, and what kind of measure

Stage or type	Bills	Share
Went no further than committee	16,911	85.2%
Reported out of committee	1,132	5.7%
Passed a chamber	1,418	7.1%
Became law	137	0.7%
Not classified	243	1.2%
Introduced as HR	10,960	0.62% became law
Introduced as S	5,674	0.83% became law
Introduced as HRES	1,649	0.30% became law
Introduced as SRES	951	—
Introduced as HJRES	221	6.33% became law
Introduced as SJRES	221	2.71% became law
Introduced as HCONRES	125	—
Introduced as SCONRES	40	—

A bill's stage is read from its latest recorded action, so it shows the furthest point reached rather than every step taken.
