Summary (as of Sep 21, 2001)

Amends Federal aviation law to prohibit a person from providing training in the operation of any jet-propelled aircraft to any alien within the United States unless the Attorney General certifies to such person that a background investigation of such alien has been completed. Requires the Attorney General, upon the joint request of the person and the alien, to carry out such a background investigation and issue such a certificate. Sets forth administrative sanctions for violations of the requirements of this Act.
