## Summary (as of Apr 26, 2001)

Human Cloning Prohibition Act of 2001 - Prohibits any person or entity, in or affecting interstate commerce, from: (1) performing or attempting to perform human cloning; (2) participating in such an attempt; (3) shipping or receiving the product of human cloning; or (4) importing such a product.

Expresses the sense of Congress that: (1) the Federal Government should advocate for and join an international effort to prohibit human cloning; and (2) the President should commission a study by the National Bioethics Advisory Commission or a successor group of the arguments for and against the use of cloning to produce human embryos solely for research.
