Summary (as of May 15, 2001)

Parental Freedom of Information Act - Amends the General Education Provisions Act to require educational agencies or institutions, as a condition for receiving funds for applicable programs, to: (1) neither deny nor prevent the exercise of parental rights to review and inspect instructional materials used in their children's educational curricula; and (2) obtain parental consent before seeking specified types of information from minors, and before performing non-emergency medical psychological, or psychiatric examination, testing, treatment, or immunization of minors.
