#### **Summary** (as of May 24, 2001)

Providing Reliable Officers, Technology, Education, Community Prosecutors, and Training In Our Neighborhoods Act of 2001 or PROTECTION Act - Modifies provisions of the Omnibus Crime Control and Safe Streets Act of 1968 regarding public safety and community policing ("cops on the beat" program, COPS) to authorize the Attorney General to use funding under COPS grants to: (1) increase prosecutor presence and to enhance law enforcement access to new technologies; (2) pay overtime to existing career law enforcement officers to the extent that such overtime is devoted to community policing efforts; and (3) promote higher education among in-service State and local law enforcement officers by reimbursing them for the costs associated with seeking a college or graduate school education.

Includes among permitted additional grant projects: (1) specialized integrity and ethics training; and (2) innovative proactive crime control and prevention programs involving school officials and religiously-affiliated organizations.

Authorizes the Attorney General to use up to five percent of appropriated funds for technical assistance and training to States, local governments, Indian tribal governments, and other public and private entities.

Repeals provisions of the Act regarding termination of grants for hiring officers.

Allows grants to be used to assist: (1) police departments in employing specified professional, scientific, and technological advancements; and (2) State, local, or tribal prosecutors' offices in implementation of community-based prosecution programs that build on local community policing efforts. Reserves specified funds for units of local government with a population of less than 50,000.

Authorizes the Attorney General to use no more than 50 percent of grant renewal funds to award grants targeted specifically for retention of police officers.
