Summary (as of Apr 23, 2002)

Women's Autoimmune Diseases Research and Prevention Act - Amends the Public Health Service Act to require the Director of the Office on Women's Health in the Department of Health and Human Services to expand, intensify, and coordinate research and related activities of the Department with respect to autoimmune diseases in women. Requires such efforts to examine: (1) disease prevalence in women; (2) the etiology and causes of such diseases; (3) epidemiology and gender and ethnic differences; (4) diagnostic approaches; (5) new treatments; and (6) prevention and education programs.
