Summary (as of Jul 11, 2001)

Large Capacity Airport Limitation Act - Amends Federal aviation law to require the Secretary of Transportation, in order to mitigate the impact of noise on surrounding communities due to the effects of airport capacity expansion projects, to prohibit any construction project for the expansion of the passenger or cargo capacity of an airport that: (1) is located in a county with a population of more than nine million; and (2) has the capacity to serve 80 million or more air passengers annually.
