Summary (as of Jul 31, 2001)

Digital Tech Corps Act of 2001 - Establishes an information technology exchange program between the Government and the private sector. Provides for one-year assignments of executive agency information technology management employees to private sector organizations, and of private sector information technology management employees to executive agencies.

Sets forth administrative provisions governing such assignments, including provisions concerning pay, creditable service, life and health insurance coverage, reimbursement, liability, and Federal employee status.
