Summary (as of Aug 1, 2002)

Securing Access, Value, and Equality in Health Care Act - Amends the Internal Revenue Code to allow an individual a tax credit in an amount equal to the amount paid for qualified health insurance, subject to stated limitations. Requires persons who receive payments for health insurance coverage of an individual to make certain information returns. Directs the Secretary of the Treasury to make advance payments to the provider of an individual's qualified health insurance equal to the Secretary's estimate of the amount of credit allowable for the eligible individual.
