Sports Agent Responsibility and Trust Act - Prohibits an athlete agent from: (1) recruiting or soliciting a student athlete to enter into an agency contract by giving false or misleading information, making a false promise or representation, or providing anything of value to the athlete or anyone associated with the athlete before entering into such contract; (2) entering into an agency contract with a student athlete without providing the required disclosure document; or (3) predating or postdating an agency contract.

Requires an athlete agent, in conjunction with entering into an agency contract, to provide to the athlete (or, if the student athlete is under age 18, to such athlete's parent or legal guardian) a separate disclosure document that includes notice that if the athlete agrees orally or in writing to be represented by an agent, he or she may lose eligibility to compete as a student athlete. Requires both the student athlete and the agent, within 72 hours or before the athlete's next athletic event, whichever occurs first, to notify the athletic director of the athlete's educational institution that the athlete has entered into an agency contract.
