Teacher Technology Training Act - Authorizes the Secretary of Education to make grants to State educational agencies (SEAs) to award grants to local educational agencies (LEAs) to provide classroom-related technology training to credentialed elementary or secondary school teachers, on the basis of the LEAs' demonstrated need.

Requires an SEA to award at least one grant to an LEA that meets criteria established by the Secretary. Directs the Secretary to award one grant to each SEA that applies, if appropriations reach a certain level for a fiscal year.
