Summary (as of Oct 12, 2001)

21st Century Independence Savings Bonds Act of 2001 - Authorizes the Secretary of the Treasury to issue 21st Century Independence Savings Bonds, whose proceeds will be placed in a designated Treasury account for investment in federally supported energy independence projects, public infrastructure projects related to the September 11, 2001, terrorist attacks on America, and any similar needs arising from subsequent incidents.

States that the purpose of these investments shall be to secure America's future fuel self-sufficiency through the development of alternative domestically produced renewable or extractable nonpetroleum and nonnuclear sources, as well as to provide supplemental sources of investment for restoration of public infrastructure.
