## **Summary** (as of Oct 17, 2002)

---

Hibben Center for Archaeological Research Act of 2002 - Authorizes the Secretary of the Interior to: (1) construct and occupy a portion of the Hibben Center for Archaeological Research at the University of New Mexico; (2) provide a grant to the University to pay the Federal share of construction and related costs for the Center; and (3) furnish specified tenant improvements to the portion of the Center leased to the National Park Service (NPS).

Requires the University, before funds available under this Act may be expended for construction or tenant improvement costs, to offer to enter into a long-term lease with the United States that: (1) provides to NPS space in the Center for storage, research, and offices; and (2) is acceptable to the Secretary.

Authorizes the Secretary, in order to encourage collaborative management of the Chacoan archaeological objects associated with northwestern New Mexico, to enter into cooperative agreements with the University, other NPS units, other Federal agencies, and Indian tribes for: (1) the curation and conduct of research on artifacts in the research museum collection and archive at the University; and (2) the development, use, management, and operation of the portion of the Center leased to NPS.
