Summary (as of Nov 19, 2002)

Caregivers Access to Health Insurance Act - Amends the Public Health Service Act to add a new title, Health Care Coverage for Caregivers, the purpose of which shall be to provide funds to States to enable them to: (1) expand the availability of health insurance coverage to those individuals involved in providing care for children, the disabled, and the elderly; and (2) provide incentives to attract and retain quality caregivers. Makes a State ineligible for Federal payments under this Act unless it has submitted to the Secretary of Health and Human Services and the Secretary has approved a plan setting forth how the State will use the assistance to provide health insurance or health care assistance to eligible caregivers consistent with the provisions of this Act.
