## Summary (as of Jan 31, 2001)

---

Saving Women's Lives through International Family Planning Act of 2001 - Authorizes appropriations for U.S. voluntary contributions to international organizations and programs, including the United Nations Environmental Fund for support of international measures to protect and improve the environment.

Authorizes appropriations for certain population planning activities.

Prohibits the Administrator of the United States Agency for International Development, in determining eligibility of nongovernmental and multilateral organizations for population planning assistance or other population assistance under the Foreign Assistance Act of 1961, from applying requirements to such organizations more restrictive than requirements applicable to foreign governments for such assistance.
