Amends the Uniformed and Overseas Absentee Voting Act to require each State to: (1) permit absent uniformed services voters to use absentee registration procedures and vote by absentee ballot in general, special, primary, and runoff elections for State and local office; and (2) accept and process, with respect to any such election, any otherwise valid voter registration application from an absent uniformed services voter, if the application is received by the appropriate State election official before the election.

Amends Federal armed forces law to authorize: (1) the Secretary of a military department to make a building located on a military installation under the jurisdiction of the Secretary available for use as a polling place in any Federal, State, or local election for public office; and (2) the Secretary of Defense to make reserve component facilities available for the same purpose.

Requires each State, with respect to any recently separated uniformed services voter requesting to vote in a Federal election, to: (1) deem the voter to be a resident of the State; (2) waive any residency or domicile requirement; (3) accept and process any otherwise valid voter registration application from the voter on the day of the election; and (4) permit the voter to vote.
