Caribbean National Forest Wilderness Act of 2002 - Designates approximately 10,000 acres of land in the Caribbean National Forest/Luquillo Experimental Forest in the Commonwealth of Puerto Rico as the El Toro Wilderness and as a component of the National Wilderness Preservation System.

Provides that designation of the Wilderness shall not be construed to prevent within the area's boundaries: (1) installation and maintenance of hydrologic, meteorological, climatological, or atmospheric data collection and transmission facilities essential to the scientific research purposes of the Luquillo Experimental Forest if the scale and scope of facility development are not detrimental to the area's wilderness characteristics; (2) construction and maintenance of nesting structures, observation blinds, and population monitoring platforms for threatened and endangered species; or (3) construction and maintenance of trails to such facilities as necessary for research purposes and the recovery of such species.

Actions Timeline
