Summary (as of Apr 9, 2002)

United States Life-Saving Service Heritage Act - Directs the Secretary of the Interior, through the National Maritime Initiative of the National Park Service, to establish a program to inventory, evaluate, document, and assist efforts to preserve surviving U.S. Life-Saving Service stations.

Requires the Secretary to: (1) serve as a clearinghouse of information for persons interested in restoring and preserving historic lifesaving stations; (2) make information regarding the Service and related organizations that provided humanitarian assistance to shipwrecked mariners available to the public; and (3) make grants to coordinate and assist such preservation.
