Summary (as of Mar 7, 2001)

Training Teachers for Technology Act of 2001 - Amends the Elementary and Secondary Education Act of 1965 (ESEA) to allow training for teachers in the use of technology to be assisted with program funds under part B (State and Local Activities) of title II (Dwight D. Eisenhower Professional Development Program). Requires eligible partnerships, for purposes of certain types of ESEA title II assistance, to include: (1) a high-need local educational agency; (2) a school of arts and sciences; and (3) an institution that prepares teachers. Allows such partnerships also to include other local educational agencies, a public charter school, a public or private elementary school or secondary school, an educational service agency, a public or private nonprofit educational organization, or a business.
