Specifies restrictions and authorizations regarding the use of funds appropriated in this Act and in other military construction appropriations Acts.

(Sec. 113) Directs the Secretary of Defense to notify the appropriate congressional committees 30 days in advance of the plans and scope of any military exercise involving U.S. personnel if construction costs are anticipated to exceed \$100,000.

(Sec. 118) Provides for the transfer of lapsed unobligated military construction and family housing funds into the Foreign Currency Fluctuations, Defense account.

(Sec. 119) Directs the Secretary to report to the congressional appropriations committees on actions proposed by DOD to encourage other member nations of NATO, Japan, Korea, and other U.S. allies bordering the Arabian Sea to assume a greater share of the common defense burden of such nations and the United States.

(Sec. 121) Prohibits any entity from expending funds appropriated by this Act unless such entity agrees to comply with the Buy American Act.

(Sec. 122) Expresses the sense of Congress that entities receiving assistance under this Act should expend such assistance only on American-made equipment and products.

(Sec. 126) Authorizes the transfer of DOD funds for expenses associated with the Homeowners Assistance Program under the Demonstration Cities and Metropolitan Development Act of 1966.

(Sec. 131) Requires the amounts requested in the defense budget materials submitted to Congress for any fiscal year after 2003 for environmental restoration, waste management, and environmental compliance activities with respect to military installations approved for closure or realignment under the base closure laws to accurately reflect the anticipated costs of such activities in that fiscal year.
