Summary (as of Sep 19, 2002)

Fort Donelson National Battlefield Expansion Act of 2002 - Authorizes the Secretary of the Interior to acquire for inclusion in the Fort Donelson National Battlefield land, interests, and improvements: (1) within the boundaries of the Battlefield; and (2) outside such boundaries if the land has been identified by the American Battlefield Protection Program as part of the battlefield associated with Fort Donelson or if the Secretary otherwise determines that acquisition will protect critical resources associated with the Battle of Fort Donelson in 1862 and the Union campaign that resulted in the capture of the Fort. Limits the total area encompassed by the Battlefield to 2,000 acres.

Directs the Secretary and the Secretary of Agriculture to enter into a memorandum of understanding to facilitate cooperatively protecting and interpreting the remaining vestige of Fort Henry and other remaining Civil War resources in the Land Between the Lakes National Recreation Area affiliated with the Fort Donelson campaign.
