### Summary (as of Mar 27, 2001)

Arsenic Reduction in Drinking Water Act of 2001 - Requires the final rule promulgated by the Administrator of the Environmental Protection Agency entitled "Arsenic and Clarifications to Compliance and New Source Contaminants Monitoring" to have full force and effect.

Directs the Administrator, for each fiscal year for which funds are available to carry out this Act and using data obtained from the most recent available water system capital improvement needs survey conducted under the Safe Drinking Water Act, to allocate the funds to States for carrying out treatment projects to comply with such final rule.
