American Voting Standards and Technology Act - Amends the National Institute of Standards and Technology Act to direct the Secretary of Commerce to: (1) develop standard practices, codes, specifications, and voluntary consensus standards needed to assure the accuracy, integrity, and security of voting systems used in the United States; and (2) establish a program to accredit laboratories to test vote casting and counting devices for conformance with such standard practices, codes, specifications, and voluntary consensus standards.

Authorizes the Secretary to make grants to the State agency responsible for administering elections in a State for the purpose of: (1) purchasing new or rehabilitated voting equipment that improves the ability of the public to cast a timely and accurate vote; and (2) implementing voter education campaigns.
