Summary (as of Apr 26, 2001)

Motor Donor Act - Amends the Public Health Service Act to provide for the establishment and maintenance of a national organ and tissue donor registry (the Registry) consisting of a database of information listing individuals who have expressed an intent to be organ or tissue donors. Provides for the coordination of the Registry with State and organ and tissue registries and procurement organizations. Authorizes grants to States for the planning and implementation of State registries associated with the motor vehicle driver's license application process and for linkages with the Registry. Establishes an advisory task force on organ and tissue donation.

Amends the Internal Revenue Code to permit the disclosure of taxpayer identification in connection with the Registry.
