Amateur Sports Integrity Act - Athletic Performance-Enhancing Drugs Research and Detection Act - Requires the Director of the National Institute of Standards and Technology to: (1) establish a program to support research into the use of performance-enhancing substances by athletes and methods of detecting their use; (2) consider research proposals involving performance-enhancing substances banned from use by competitors in events sanctioned by professional and collegiate sports organizations; (3) fund research on the detection of naturally-occurring steroids, other testosterone precursors, and other substances for which no tests are available but for which there is evidence of abuse or abuse potential; (4) fund research that focuses on population studies to ensure that tests are accurate for men, women, all relevant ages, and major ethnic groups; (5) not fund research on drugs of abuse; and (6) develop a grant program to fund educational substance abuse prevention and intervention programs related to the use of such banned performance-enhancing substances by high school and college student athletes.

Amends the Ted Stevens Olympic and Amateur Sports Act to make it unlawful to sponsor, operate, advertise, promote, license, or authorize a betting, gambling, or wagering scheme based on a competitive game at the Summer or Winter Olympics or in which high school or college athletes participate.
