Bill	Relationship	Last Action
108 S 1369	Identical bill	Jul 7, 2003: Committee on Governmental Affairs referred to Subcommittee on Financial Management, the Budget, and International Security.

(This measure has not been amended since it was introduced. The summary of that version is repeated here.)

Provides that a health insurance contract shall not be made or a health insurance plan approved under the Federal Employees Health Benefits Program which does not offer to Medicare eligible enrollees prescription drug benefits the actuarial value of which is at least equal to the actuarial value of such benefits which are offered to enrollees under a plan generally.

Directs the Office of Personnel Management to establish processes and methods for determining the actuarial value of prescription drug benefits.
