Summary (as of Sep 28, 2004)

Expresses the sense of Congress that the Director of Central Intelligence should consider the advisability of establishing for each element of the intelligence community an element, office, or component whose purpose is the alternative analysis (commonly referred to as a red-team analysis) of the information and conclusions in the intelligence products of such element of the intelligence community. Requires, not later than one year after the date of the enactment of this Act, the Director of Central Intelligence to submit to Congress a report on the actions taken to establish for each element of the intelligence community such an element, office, or component.

States that the report shall be submitted in an unclassified form, but may include a classified annex.
