Environmental Protection

Related Bills

No related bills are listed.

Summary (as of Oct 21, 2003)

Declares that Congress should: (1) increase Federal funding and resources for combined sewer overflow control to levels sufficient to cover at least 80 percent of the costs incurred by financially distressed communities; (2) provide the Environmental Protection Agency with additional resources to improve nationwide tracking of progress in combined sewer overflow control programs; and (3) expressly authorize the Army Corps of Engineers to assist communities with assessment and design work associated with upgrades of combined sewer systems.
