Summary (as of Nov 21, 2003)

Technology Education Incentive Act of 2003 - Amends the Internal Revenue Code to establish a volunteer education services credit for qualified employee services. Defines such services as any service furnished by an employee of the taxpayer if: (1) the services are performed at a qualified K-12 school; (2) the services are related to science, mathematics, or engineering education at grades K-12 at a qualified K-12 school; (3) the employee receives no additional compensation for performing such services and the employer receives no compensation for such services; and (4) the services are determined by the qualified K-12 school to be valuable to the school in providing education in grades K-12 in the areas of science, mathematics, or engineering.

Requires a study concerning such credit.

Actions Timeline

- **Nov 21, 2003:** Introduced in House
- **Nov 21, 2003:** Referred to the House Committee on Ways and Means.
