## Summary (as of Mar 2, 2004)

---

Recognizes that teaching young people to have an appreciation of Western civilization is central to the development and maintenance of a vibrant, united, and enduring U.S. polity, culture, and society.

Encourages local school boards and State departments of education to ensure that these concepts and ideals are effectively taught, and that all young people who graduate from high schools do so with an understanding and appreciation of the values, contributions, and accomplishments of Western civilization.
