Summary (as of Mar 11, 2004)

Expresses the sense of Congress that: (1) the well-being of deployed U.S. armed forces is of paramount importance; (2) the Department of Defense (DOD) should do its utmost to see that such personnel have the best force protection equipment available; (3) DOD and the military departments should increase the ability of currently unarmored vehicles that are deployed forward under Operations Iraqi Freedom and Enduring Freedom to resist improvised explosive devices; and (4) DOD should immediately release to the military departments all funds that have been authorized and appropriated, but not released, for defeating such improvised explosive devices and mitigating their effect on vehicles.
