| 108 HCONRES 405 | Related bill | <b>Apr 8, 2004:</b> Referred to the Subcommittee on Health.                              |

Commends national and community organizations and health care providers for supplying information concerning the importance of screening for prostate cancer and the treatment options. Declares that the Federal Government and the States should ensure that health care providers supply patients with appropriate information and tools necessary to receive readily understandable information about all medically efficacious screening and treatments for prostate cancer.
