### Summary (as of Mar 17, 2004)

GEAR UP & GO Act - Amends the Higher Education Act of 1965 to revise specified requirements for Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) to facilitate the transition of low-income high school students into postsecondary education.

Authorizes the Secretary of Education to carry out a GEAR UP & GO grants program to provide low-income high school students participating in GEAR UP partnerships or State programs opportunities for dual/concurrent enrollment in college courses while still enrolled in high school. Provides that students in such program: (1) shall not be required to apply for admission to the institution of higher education; and (2) may receive college credit. Requires up to 25 percent of GEAR UP & GO program funds to be reserved for grants to early/middle college high schools designed to provide 9th through 12th grade low-income and first-generation college students with a coherent course of study enabling them to earn simultaneously a high school diploma and college credit toward a postsecondary degree.
