Healthy Start Reauthorization Act - Amends the Public Health Service Act to require the Secretary of Health and Human Services to consider certain criteria in making grants under the Healthy Start Initiative, including: (1) factors that contribute to infant mortality, such as low birthweight; and (2) the extent to which applicants for grants facilitate a community-based approach to the delivery of services and a comprehensive approach to women's health care to improve perinatal outcomes.

Eliminates authority for the Secretary to make additional grants to: (1) assist communities with technical assistance, replication of successful projects, and State policy formation to reduce infant and maternal mortality and morbidity; and (2) conduct and support research and to provide additional health care services for pregnant woman and infants.
