Summary (as of Oct 7, 2004)

Providing Reliable Officers, Technology, Education, Community Prosecutors, and Training In Our Neighborhoods Act of 2004 or PROTECTION Act - Modifies provisions of the Omnibus Crime Control and Safe Streets Act of 1968 regarding public safety and community policing ("cops on the beat" program, COPS) to authorize the Attorney General to use COPS grants to: (1) increase prosecutor presence and to enhance law enforcement access to new technologies; (2) pay overtime to existing career law enforcement officers for community policing; and (3) promote higher education among inservice State and local law enforcement officers by reimbursing them for certain educational costs.

Includes among permitted additional grant projects: (1) specialized integrity and ethics training; and (2) innovative proactive crime control and prevention programs involving school officials and religiously-affiliated organizations.

Authorizes the Attorney General to use up to five percent of appropriated funds for technical assistance and training to States, local governments, Indian tribal governments, and other entities.

Repeals provisions of the Act regarding termination of grants for hiring officers.

Allows grants to be used to assist: (1) police departments in employing specified professional, scientific, and technological advancements; (2) State, local, or tribal prosecutors' offices in implementation of community-based prosecution programs that build on local community policing efforts; and (3) in paying overtime to existing career law enforcement officers. Reserves specified funds for local governmental units with a population of less than 50,000.

Authorizes the Attorney General to use no more than 50 percent of grant renewal funds to award grants targeted for police officer retention.
