Summary (as of Mar 10, 2003)

Product Safety Notification and Recall Effectiveness Act of 2003 - Directs the Consumer Product Safety Commission to promulgate a rule requiring: (1) manufacturers of juvenile products, small household appliances, and certain other consumer products to establish and maintain a system for providing notification to consumers of recalls of such products; and (2) that the notification system include use of product safety owner cards, Internet registration, or an alternative method, to create a database of information regarding consumers of covered consumer products, for the sole purpose of product recall notification.
