Summary (as of Jun 6, 2005)

Amends the Workforce Investment Act of 1998 to include, among authorized demonstration and pilot projects, targeted innovation projects that improve access to and delivery of employment and training services.

Emphasizes projects that incorporate advanced technologies to help connect individuals to information and tools to upgrade their skills. Includes projects that link individuals to opportunities for self-guided learning. Gives priority to projects that provide: (1) technology directly to eligible training recipients to reach information about training opportunities and content; (2) for conducting of online eligibility determinations for federal and state training programs, and directing individuals to appropriate area programs; and (3) high-quality employment and training services information integrated with delivery of information regarding other social services and health care programs.

Actions Timeline

- **Jun 6, 2005:** Introduced in Senate
- **Jun 6, 2005:** Read twice and referred to the Committee on Health, Education, Labor, and Pensions.
