109 S 809	Related bill	Apr 14, 2005: Read twice and referred to the Committee on Health, Education, Labor, and Pensions. (text of measure as introduced: CR S3685-3686)

Amends the Public Health Service Act to prohibit a pharmacy from receiving a prescription in interstate commerce unless it: (1) ensures that a prescription that is not filled due to a refusal by a pharmacist on the basis of religious beliefs or moral convictions is filled by another pharmacist employed by the pharmacy within four hours of such refusal; and (2) does not employ any pharmacist who refuses to return an unfilled prescription to the patient or transfer an unfilled prescription to another pharmacy with the intent to prevent a patient from filling a valid prescription for a drug.

Sets forth penalties for violations. Allows a civil action against a pharmacy for a violation of this Act.
