Related Bills

No related bills are listed.

Geothermal Energy Initiative Act of 2005 - Directs the Secretary of Energy to: (1) review and publish annually the available assessments of geothermal energy resources available within the United States; and (2) undertake new assessments as necessary, taking into account changes in market conditions, available technologies, and other relevant factors.

Directs the Secretary of the Interior and the Secretary of Agriculture to expedite development of geothermal energy in making revisions to certain land use plans for public lands and National Forest System lands, respectively.

Directs the Secretary of the Interior to report to Congress any recommendations for statutory or regulatory changes that would assist geothermal energy development on Federal land, including: (1) a five-year plan for encouraging such development; and (2) a list, developed in consultation with the Secretaries of Energy and of Defense, of lands under their jurisdictions, that would be suitable for development for geothermal energy, as well as recommended statutory and regulatory mechanisms for such development.

Instructs the Secretary of the Interior and the Secretary of Agriculture to enter into and submit to Congress a memorandum of understanding regarding leasing (including a five-year leasing plan) and permitting for geothermal development of public lands under their respective jurisdictions.

Amends the Geothermal Steam Act of 1970 to authorize the Secretary of the Interior to reimburse certain persons through royalty credits for reasonable amounts paid for preparation by the Secretary (or a Secretary-selected contractor or other person) of project-level analysis, documentation, or related study required under the National Environmental Policy Act of 1969 with respect to the lease.

Actions Timeline

- **Feb 17, 2005:** Referred to the Subcommittee on Department Operations, Oversight, Nutrition and Forestry.
- **Feb 3, 2005:** Referred to the Subcommittee on Forests and Forest Health.
- **Feb 3, 2005:** Referred to the Subcommittee on Energy and Mineral Resources.
- **Jan 4, 2005:** Introduced in House
- **Jan 4, 2005:** Referred to the Committee on Resources, and in addition to the Committee on Agriculture, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned.
