(Sec. 102) Specifies that the amounts authorized and the authorized personnel ceilings as of September 30, 2006, for such activities are those specified in the classified Schedule of Authorizations, which shall be made available to the Senate and House Appropriations Committees and the President.

(Sec. 103) Allows the Director of National Intelligence (DNI), with the approval of the Director of the Office of Management and Budget, to authorize employment of civilian personnel in excess of the number authorized for FY 2006 when necessary for the performance of important intelligence functions. Requires notification of the congressional intelligence committees on the use of such authority.

(Sec. 104) Authorizes appropriations for the Intelligence Community Management Account for FY2006, for full-time personnel for elements within such Account, and for certain classified personnel.

Title II: Central Intelligence Agency Retirement and Disability System - (Sec. 201) Authorizes appropriations for FY2006 for the Central Intelligence Agency Retirement and Disability Fund.

Title III: General Provisions - (Sec. 301) Permits appropriations authorized by this Act for salary, pay, retirement, and other benefits for federal employees to be increased by such additional or supplemental amounts as may be necessary for increases in such compensation or benefits authorized by law.

(Sec. 302) Specifies that the authorization of appropriations by this Act shall not be deemed to constitute authority for the conduct of any intelligence activity which is not otherwise authorized by the Constitution or laws of the United States.

(Sec. 304) Requires the DNI's: (1) Science and Technology Committee to prioritize research and development related to intelligence; and (2) Director of Science and Technology to assist the DNI in establishing intelligence community (IC) technology goals.
