Healing the Invisible Wounds Act of 2006 - Prohibits the Secretary of Veterans Affairs from implementing any modification in the manner in which post-traumatic stress disorder (PTSD) is handled in the rating of service-connected disabilities for purposes of the payment of veterans' disability compensation until six months after the Secretary reports to the congressional veterans' committees on the proposed modification.

Directs the Secretary to provide to each member of the National Guard and reserves who serves on active duty in a combat theater a session of group counseling, a session of private counseling, and a presentation on counseling-related matters to the family of such member. Requires the member's counseling to be provided within 14 days after their return from such deployment. Authorizes additional counseling upon member request.
