Veterans' Choice of Representation and Benefits Enhancement Act of 2006 - **Title I: Veterans' Representation** - (Sec. 101) Amends federal veterans' benefits provisions to authorize the Secretary of Veterans Affairs (Secretary) to prescribe: (1) qualifications and standards of conduct for agents and attorneys acting on behalf of veterans in claim proceedings before the Department of Veterans Affairs (VA), including good moral character and appropriate experience and training; and (2) restrictions on fees collected for such services. Authorizes the Secretary to collect a registration fee from recognized agents and attorneys. Directs the Secretary to prescribe the amount and frequency of collection of such fees.

Provides as an additional basis for the suspension of agents and attorneys the presentation of frivolous claims, issues, or arguments to the VA.

Repeals a provision prohibiting a veteran claimant from hiring an attorney during the VA administrative process. Revises the time period during which attorney fee agreements may be filed with the Board of Veterans' Appeals. Allows the Secretary to review such an agreement, and order a fee reduction if the Secretary finds the fee excessive or unreasonable.

**Title II: Memorial Affairs** - (Sec. 201) Authorizes the Secretary to make grants to tribal organizations for establishing, expanding, or improving veterans' cemeteries on trust lands owned by, or held in trust for, such organization.

(Sec. 202) Directs the Secretary of the Army to remove the remains of Russell Wayne Wagner from Arlington National Cemetery, and to notify next-of-kin.

(Sec. 203) Amends the Veterans Education and Benefits Expansion Act of 2001 to provide the VA grave marker benefit to veterans dying on or after November 1, 1990 (currently September 11, 2001). Makes permanent (currently terminates December 31, 2006) the authority to provide such markers. Authorizes the provision of headstones (currently, only markers). Allows for the placing of a headstone or marker as close as possible to the grave when its placing on the grave itself is impossible or impracticable.

**Title III: Education Matters** - (Sec. 301) Expands the programs of education eligible for the accelerated payment of educational assistance under the Montgomery GI Bill for veterans with at least three years of active-duty service to include an approved program of education lasting less than two years that leads to employment in the transportation, construction, hospitality, or energy sectors. Terminates such authority at the end of FY2011.

(Sec. 302) Authorizes the accelerated payment of veterans' survivors and dependents' educational assistance with respect to an eligible person enrolled in an approved program of education: (1) that leads to employment in a high technology occupation; or (2) lasting less than two years that leads to employment in the transportation, construction, hospitality, or energy sectors, and the person is charged tuition and fees that exceeds 200 percent of the monthly educational assistance otherwise payable. Provides accelerated payment requirements and limits, including charges against the educational assistance entitlement for the accelerated payments.

(Sec. 303) Establishes funding levels for FY2007 and thereafter for the VA reimbursement of expenses of state approving agencies in the administration of veterans' educational benefits.

**Title IV: Health Matters** - (Sec. 401) Directs the Secretary to designate and establish at least: (1) six VA health care facilities as centers of Parkinson's disease research, education, and clinical activities; and (2) two VA health care facilities as Multiple Sclerosis Centers of Excellence. Requires each state home that requests such payment or reimbursement to furnish appropriate veteran identifying information.

Provides a three-year program, terminating at the end of FY2009, detailing conditions under which the Secretary may treat a non-VA health facility, or up to 100 beds in a non-VA health facility, as a state home for purposes of eligibility for veterans' home per diem payments.

(Sec. 502) Expresses the sense of Congress that: (1) homelessness is a significant problem in the veterans community, and veterans are disproportionately represented among the homeless; (2) all essential services, assistance, and support that homeless veterans require are not currently provided; (3) federally funded programs for homeless veterans should be held accountable and should include the prevention of homelessness; (4) federal efforts regarding homeless veterans should be particularly vigorous where women veterans have minor children in their care; (5) federal agencies should cooperate more fully to address the problem of homelessness among veterans; and (6) the programs reauthorized by this title provide important housing and services to homeless veterans.

(Sec. 511) Directs the Secretary to provide financial assistance (in the form of per diem payments) to eligible entities for supportive services for very low-income veteran families occupying permanent housing. Requires the Secretary to give a preference to entities providing or coordinating the provision of supportive services to families who are transitioning from homelessness to permanent housing. Requires the assistance to be equitably distributed across geographic regions, including rural communities and tribal lands. Outlines authorized supportive services and service provider application requirements. Requires the Secretary to provide training and technical assistance to participating entities regarding the planning, development, and provision of such services (with a fiscal year funding limit). Provides program funding through FY2009. Directs the Secretary to conduct a study of, and report to the veterans' committees on, the effectiveness of the program in meeting the needs of very low-income veteran families.
