109 S 1909	Related bill	Oct 24, 2005: Read twice and referred to the Committee on Finance.

Medicare Telehealth Enhancement Act of 2005 - Amends title XVIII (Medicare) of the Social Security Act regarding telehealth services (services furnished via a telecommunication system by a physician to an enrolled individual) to: (1) remove current geographic restrictions on the provision of such services; (2) add to the facilities authorized to participate in the telehealth program; and (3) direct the Secretary to encourage and facilitate multistate practitioner licensure across state lines to facilitate the program.

Directs the Secretary to make grants for expanding access to health care services for individuals in rural areas, frontier areas, and urban medically underserved areas through the use of telehealth.

Amends the Public Health Service Act to reauthorize telehealth network and telehealth resource centers grant programs.
