Subjects such agency to FAIR to the extent it plans to conduct a public-private competition for the performance of an activity that is not inherently governmental.

(Sec. 841) Requires prior approval by the congressional appropriations committees before any funds for transfers or reimbursements are made available to OMB-sponsored E-Government Initiatives.

(Sec. 842) Prohibits the use of funds for conversion to contractor performance of any activity or function of an executive agency performed by more than 10 federal employees.

Exempts from this requirement: (1) the Department of Defense (DOD); (2) the airport security screening opt-out program; (3) a commercial or industrial type function included on the procurement list established pursuant to the Javits-Wagner-O'Day Act (JWOA), or planned to be converted to performance by a qualified nonprofit agency for the blind or other severely handicapped individuals in accordance with JWOA; (4) DOD depot contracts or contracts for depot maintenance; or (5) activities that are the subject of an ongoing competition that was publicly announced before the enactment of this Act.

Declares that nothing in OMB Circular A-76 shall prevent the head of an executive agency from conducting a public-private competition to evaluate the benefits of converting work from contract performance to performance by federal employees in appropriate instances. Requires the OMB Circular to provide procedures and policies for these competitions that are similar to those applied to competitions that may result in the conversion of work from performance

by federal employees to performance by a contractor.

(Sec. 843) Requires a pay increase of 3.1% for federal civilian employees, including those of the Department of Defense (DOD) and DHS for FY2006.

(Sec. 844) Bars the use of funds under this or any other Act by an executive branch agency, unless otherwise authorized by existing law, to produce any prepackaged news story intended for broadcast or distribution in the United States, unless the story includes a clear notification within its text or audio that it was prepared or funded by that agency.
