Summary (as of Jul 28, 2005)

Substance Abuse Group Homes Amendments of 2005 - Amends the Public Health Service Act to require states receiving substance abuse grants for the establishment of group homes for recovering substance abusers to ensure that state or local officials: (1) provide the public with an opportunity to consult with officials on policies for the location of such housing; (2) notify community members that the community is under consideration as a proposed site for such a home and allow them to consult with officials on the proposal before a decision is made; (3) monitor the group home to determine residents' compliance with the conditions upon which the permission to establish the home was granted; and (4) provide community members and the home's residents with opportunities to consult with officials on the group home's effects on the community.
