Summary (as of Aug 3, 2006)

Small Business Information Security Act of 2006 - Directs the Administrator of the Small Business Administration (SBA) to establish the Small Business Information Security Task Force to address the information technology security needs of small businesses. Requires the Task Force, among other duties, to make recommendations to the Administrator on the establishment of an Internet portal to be used by the SBA to receive and dispense information and resources with respect to such needs.
