Summary (as of Sep 22, 2005)

Delaware National Coastal Special Resources Study Act - Directs the Secretary of the Interior to conduct a special resources study of the national significance, suitability, and feasibility of including sites in the coastal region of Delaware in the National Park System (NPS). Requires such study to include an analysis and any recommendations concerning the suitability and feasibility of designating one or more sites along the Delaware coast, including Fort Christina, as a unit of the NPS.
