109 S 2135	Related bill	Dec 16, 2005: Read twice and referred to the Committee on Commerce, Science, and Transportation.

**Summary** (as of Dec 14, 2005)

Prohibits the Secretary of Transportation from issuing any final rule that would change the Department of Transportation's (DOT) interpretation of what constitutes "actual control" of an airline with respect to requirements prohibiting foreign interests from exercising actual control over all airline operations. Directs the Secretary to report to Congress on the impact of DOT's proposed change of allowing foreign interests to control economic and competitive decisions while requiring U.S. citizens to control decisions concerning commitments to the Civil Reserve Air Fleet, transportation security, safety, and organizational documents. (Under current law, only an airline that qualifies as "a citizen of the United States" may provide service between U.S. cities or on international routes obtained by the United States through international agreements. Defines "a citizen of the United States" as an individual who is a citizen of the United States, a partnership each of whose partners is an individual who is a citizen of the United States).
