Requires the Secretary, in providing such notice, to take measures to ensure agency compliance with provisions of the Fair Credit Reporting Act with respect to the servicemember.

Increases penalties for consumer credit reporting violations involving servicemembers deployed to an overseas combat zone.

Amends the Fair Credit Reporting Act to require each agency that receives a combat zone duty alert from the Secretary with respect to a servicemember to: (1) include the alert in the file of that consumer and provide such alert along with any credit score, until notified by the Secretary that the consumer no longer qualifies for such alert; and (2) during the period of the alert, exclude the consumer from any list provided to a third party to offer credit or insurance to such consumer as part of a transaction not initiated by the consumer.

Requires the combat zone duty alert included in any consumer's file to include a summary of the consumer's rights under the Servicemembers Civil Relief Act and the duties of creditors and other persons to the consumer.
