Prohibits cigarettes from containing any artificial or natural flavor (other than tobacco or menthol) or an herb or spice, including strawberry, cinnamon, or coffee.

Requires the Secretary to establish tobacco product standards to protect the public health, but reserves to Congress the power to ban any tobacco products or reduce the nicotine level to zero.

Allows the Secretary to take specified actions, including public notification and recall, against unreasonably harmful products.

Requires premarket approval of all new tobacco products.

Sets forth standards for the sale of modified risk tobacco products.

Sets forth provisions regarding: (1) judicial review; (2) coordination with the Federal Trade Commission (FTC); (3) congressional review of regulations; and (4) state and local authority.
